

ANNOUNCEMENT TO ALL LICENSEES:

RE: Renewal and Delinquency Fee Increases Effective January 1, 2014

Due to the projected DHCC fund insolvency by fiscal year 2014/15, the DHCC increased its fees for select categories in order to raise revenue to maintain its fund's solvency. The DHCC delayed any fee increase decisions for as long as possible to avoid any fiscal hardships on its licensees. Unfortunately, with the increase in the cost of doing business in the interest of consumer protection, it was simply a matter of time before additional revenue was needed to maintain fund solvency so that the DHCC operations could continue. As such, the following fees will increase by the amount indicated effective January 1, 2014:

- RDH Biennial License Renewal Fee – increase to \$160 (from \$80);
- RDHAP Biennial Renewal Fee – increase to \$160 (from \$80);
- RDHEF Biennial Renewal Fee – increase to \$160 (from \$80);
- Fictitious Name Permits (FNP) Renewal Fee – increase to \$160 (from \$80);
- FNP ½ Renewal Fee – increase to \$80 (from \$40);
- RDH Delinquency Fee – increase to \$80 (from \$40);
- RDHAP Delinquency Fee – increase to \$80 (from \$40);
- RDHEF Delinquency Fee – increase to \$80 (from \$40);
- RDHAP FNP Delinquency Fee – increase to \$80 (from \$40).
